

Вскрытие ящика и взвешивание монет для изготовления сплава в памятный знак «Живая память благодарных поколений»

10.05.2023г. активом учащихся колледжа было произведено **вскрытие ящика и взвешивание монет для изготовления сплава в памятный знак «Живая память благодарных поколений» (г.Брест)**. Составление списка учащихся, принявших участие в благотворительной акции «Дети Беларуси- ветеранам и будущим поколениям!» г.Брест производилось на основании оставленных записок. Монеты с общим весом 0.466 грамм и записки были отправлены заказной бандеролью в Местный благотворительный фонд имени Алексея Талая в Минск.

[illegible]

Укажите, какой из этих видов является основным в системе классификации растений и почему, а также, как называется совокупность признаков, по которым различают виды.
